YOUR CHILDREN NEED LAXATIVE!

The children need your closest attention, especially after "stuffed" themselves with sweets, etc., at a party or the like!
They are liable to get up in the morning complaining of cramps, bad tasting mouth, liable to have puffed eyes from restless slumber; feel tired and cranky; distempered and whimpering. Act promptly. Give them a dose of Dr. Tree's Elixir, the family Laxative and Worm Expeller, which millions of mothers were given by their parents, and who themselves are administering to-day, to their little ones.

Only the purest of herbs are used—no harmful drugs—will relieve the ordinary cases of children's illness, constipation—worms, etc.

Symptoms of Worms: Constipation, deranged stomach, swollen upper lip, sour stomach, offensive breath, hard and full belly, with occasional gripings and pains about the navel, pale face of leaden tint, eyes heavy and dull, twitching eyelids, itching of the nose, itching of the rectum, short dry cough, grinding of the teeth, little red points sticking out on the tongue, starting during sleep, slow fever.

Mrs. Wm. G. Bonin of Caddo, Oklahoma, wrote regarding Dr. Tree's Elixir: "We have used it for our children for the last twelve years, and certainly know the value of it."
